President's Report

Hi Fellow Morrie Owners,

It looks like winter has gone and the heat is starting, most of us have had nice rain and had to brush the spiders off the lawn mowers. It took me a while to find mine! Time to dust off the Morrie and give it a run too. Sunday the 26th November is our next official run, combined with a Christmas get together. Then we need to get together (probably at my place in February) and help with the finer details for the National Rally/Run. Jill has all the major things organised and even managed to win

a significant grant to help with finances. A huge WELL DONE to Jill for all her hard work.

On a sad note, we have a few members battling health conditions at the moment and we wish them a speedy recovery. I hate being sick so I fully understand that you are as well, get better soon.

Happy Morrising, Col Schiller

Word from the National Event Coordinator— Fraser Coast 2018

Hi members. We are well on the way to reaching the 100 entry target and it is not slowing down. Our Fraser Coast Regional Council Grant application was successful and Keith and I attended a special morning tea at Maryborough's Broлга Theatre for the preliminary paperwork handover. See page 6 for photo. Of the 95 applications 30% have returned their Food & Regalia forms and the Questionnaire. The labels, vehicle, & food tags are already on the computer and are completed as the forms & photos come in. Enquiries are still coming in and the excitement is building. The Morris Register of the UK graciously presented us with a donation of 250 pounds. Thank you Chairman John Ford, Mal Dixon, Tom, Steven, and club members. I will certainly make sure your email address is on my list and Mal I hope you and Edn make it to our shores. A BIG thank you to Qld club member Mick Thatcher. He has presented us with 12 hand carved Qld Red Cedar trophies and Mick I'm happy to say that we may be able to use all the trophies. Tricia is still crocheting, thank you Tricia.

Jill Fowlie

Dates to Remember

Sunday 26th Nov: Club Christmas lunch at Laidley—12 noon.

We have booked our lunch at the Eagle Rock Cafe in Patrick Street Laidley and we hope everyone can make it. (Sorry to our members on the north side of Brisby and much further afield). The meals range in price from \$10.00 up to \$26.00 for a full main meal, but most are around \$15.00 for a burger, hot dogs \$9.00, Pizza and Pastas. Meet at the Park at the southern side of town near the Nardi Lagoon, where we have met before, at 9am ish, have morning tea, go for drive up to the lookout then back to the Café for lunch.

Going to New Zealand? then think about joining the Morris Eight Tourer Club at their Christmas Party. It will be held in beautiful Dunedin, and they have a plan for a week.

For anyone passing through Christchurch, our Club rooms and Parts Shed is open on Thursday mornings between 9am and noon. There are usually some members there sorting parts, maintaining grounds and having “long morning teas!!!”

Jill is needing a volunteer for the 'Harvey the Whale' costume for the Fraser Coast National Event. Any takers? Mainly the Friday morning for an hour and as we have 'Harvey' for the whole of Easter he can make an appearance at the Static Display Day on Saturday around 11am. If there were two of you, then the time can be shared..... that would be a plus. We do have 'grandchildren' attending and 'Harvey' is such a happy whale!kids love him.....and me too

NOTE FROM THE EDITOR

Due to the coming 21st Morris Register Nationals and associated workload I have decided for the next six months the newsletters will come out bi-monthly, starting now. There may be a 'small' December newsletter to wish everyone a Merry Christmas. Think about personal Christmas wishes you might like to submit. Keith (Sounds good to me.....Jill)

Are you looking for Replacement Badges?

Pamela David Enamels is a very good badge replacement company. They recently made a Pre-War Morris Minor badge for Bazza and I have ordered another Morris badge. I can recommend them for replacement radiator and chassis badges. Their email is info@badgecraft.co.uk and website is www.badgecraft.co.uk Col Schiller

Photo: Some of the lucky Fraser Coast recipients including the Morris Register of Qld. Inc. were presented with their Fraser Coast Regional Council Community Events Support Scheme Grant Certificate at a special morning tea at Maryborough's Brolga Theatre . The Fraser Coast Mayor, Chris Loft, is back row, right hand end.

The grant monies will be forwarded to the club after the Council has certified the agreement, hopefully before the end of the month. The grant, made up of 'cash' and 'in-kind' support, allows us to meet our obligations in giving our visitors an 'Event to Remember' and I want to thank the committee for getting behind me when I need something urgently, they are so good. Thanks Team

As Keith and I (pictured in our 'blue' attire) wanted to be presented in our club shirts so we quickly arranged with the local uniform design shop to make the shirts sporting our event logo. Came up well, even the event name
